**“Plan to Go” Deposits Are Required On All Itineraries**

In order to perform the professional services required to plan and arrange your travel to your requested destination, a deposit is required. The deposit is non-refundable, but 100% is applied toward the cost of your vacation. Vacation planning involves much time. My work is based on years of personal experience and professional expertise. I research hotels and tours to meet your specific needs, contact suppliers, coordinate transportation, and draft itineraries. Your final itinerary and documents will give you as smooth a vacation as is possible. Once Distinctive Destinations has constructed your itinerary, you are free to shop it on the Internet, or wherever you would like. If you choose to book your vacation elsewhere, the “Plan to Go” Deposit will be retained by Distinctive Destinations as payment for services rendered. All vacations arranged through Distinctive Destinations offer peace of mind, as we are experienced professionals in the business of planning individual travel for sophisticated travelers who demand the most professional individual attention to detail and execution of a well planned vacation.
